

HLTAID008 – Manage First Aid Services and Resources

Course Cost: \$160 per person

Mode of Delivery: Online (Theory) & Face-to-face (Practical)

Pre-requisites: Nil. This unit can be completed within a skill set for Occupational First Aid – HLTSS00027-Occupational First Aid Skill Set

Certification issued: Statement of Attainment – Manage First Aid Services and Resources

Certificate valid: 3 years. This is specified by the Code of Practice – First Aid in the Workplace. An annual update of resuscitation (CPR) skills is recommended by Australian Resuscitation Council and specified by the Code of Practice – First Aid in the Workplace.

Who should attend: This unit is appropriate for those undertaking first aid responsibilities in a first aid room. This unit describes the skills and knowledge required to establish, maintain and facilitate the provision of appropriate first aid in the workplace. The course applies to workers in nominated occupational first aid or management roles.

Online Component: The theory component of this course involves completing online pre-work on our e-learning website. The student will be required to read the provided materials and complete an online quiz. This will take approx. 2 hours.

Practical Component: Once the theory component has been completed the student will be required to attend a face-to-face session at our training facility to complete the practical assessment. This will take approx. 2 hours.

Location of Training: Our training centre is located in Gladstone, Central Queensland. Alternately courses can be booked onsite at your preferred location.

If completed within the Skill Set.
