

[RIIWH202D](#) – Enter and Work in Confined Spaces

Duration: 8 hours

Course Cost: \$175 per person

Mode of Delivery: Face-to-face (Classroom)

Pre-requisites: Nil

This unit is designed to teach participants how to identify confined space hazards and work safely in confined spaces. It is an essential requirement that all entry persons are trained to the Queensland Confined Spaces Code of Practice 2011.

This training course is designed for people who work in or around confined spaces.

Participants will learn to complete hazard identifications, risk assessments and work permits for Confined Space Operations.

Targeted Audience:

This course is nationally recognized and is ideal for mining personnel, construction workers, contractors and any other personnel who are required to perform duties associated with confined spaces.

Award issued:

Students who successfully complete this nationally recognized training will be awarded the statement of attainment for:
